ATTENDEES EACH YEAR

FRIDAY 27 NOVEMBER 2026

Brisbane Convention and Exhibition Centre

The QRC Annual State of the Sector Forum and Lunch brings together industry leaders, government representatives and key stakeholders to discuss the issues, opportunities and priorities shaping the industry.

This year, we are honoured to welcome back The Honourable David Crisafulli MP, Premier of Queensland and Minister for Veterans, as our keynote speaker.

With the theme **Queensland's Resources, Queensland's Future** the event provides a valuable opportunity to reflect on the sector's achievements, recognise its contribution to Queensland, and engage with those shaping the future of our industry.
